Curated Living Solutions

Soluciones de interior cuidadosamente seleccionadas

You don't choose it.
You recognise it.

No se elige.
Se reconoce.

Space Essentials is not a catalogue.
It is a different way to experience space.

Space Essentials no es un catálogo.
Es una manera distinta de entender el espacio.

European-crafted design, driven by intention.
Diseño europeo concebido con intención.

Furniture is only the beginning.
And then, life.

El mobiliario es solo el comienzo.
Y después, la vida.

Living

Quiet design.
A different way
to live with furniture.

We do not design furniture. We design the relationship between architecture and use.
No diseñamos muebles. Diseñamos relaciones entre arquitectura y uso.

...it simply belongs.

Each piece is chosen for proportion and coherence. Never on impulse.
Cada pieza se elige por proporción y coherencia. Nunca por impulso.

Dining

Gathering, refined.

Every detail reflects a way of living.
Cada detalle responde a una manera de vivir.

Form leads. Function follows.

La forma dirige. La función acompaña.

Form takes the lead.

Night

Calm,
by design.

We design rest
through light, material and silence.

Diseñamos el descanso
desde la luz, el material y el silencio.

Living, at rest.

Tailored

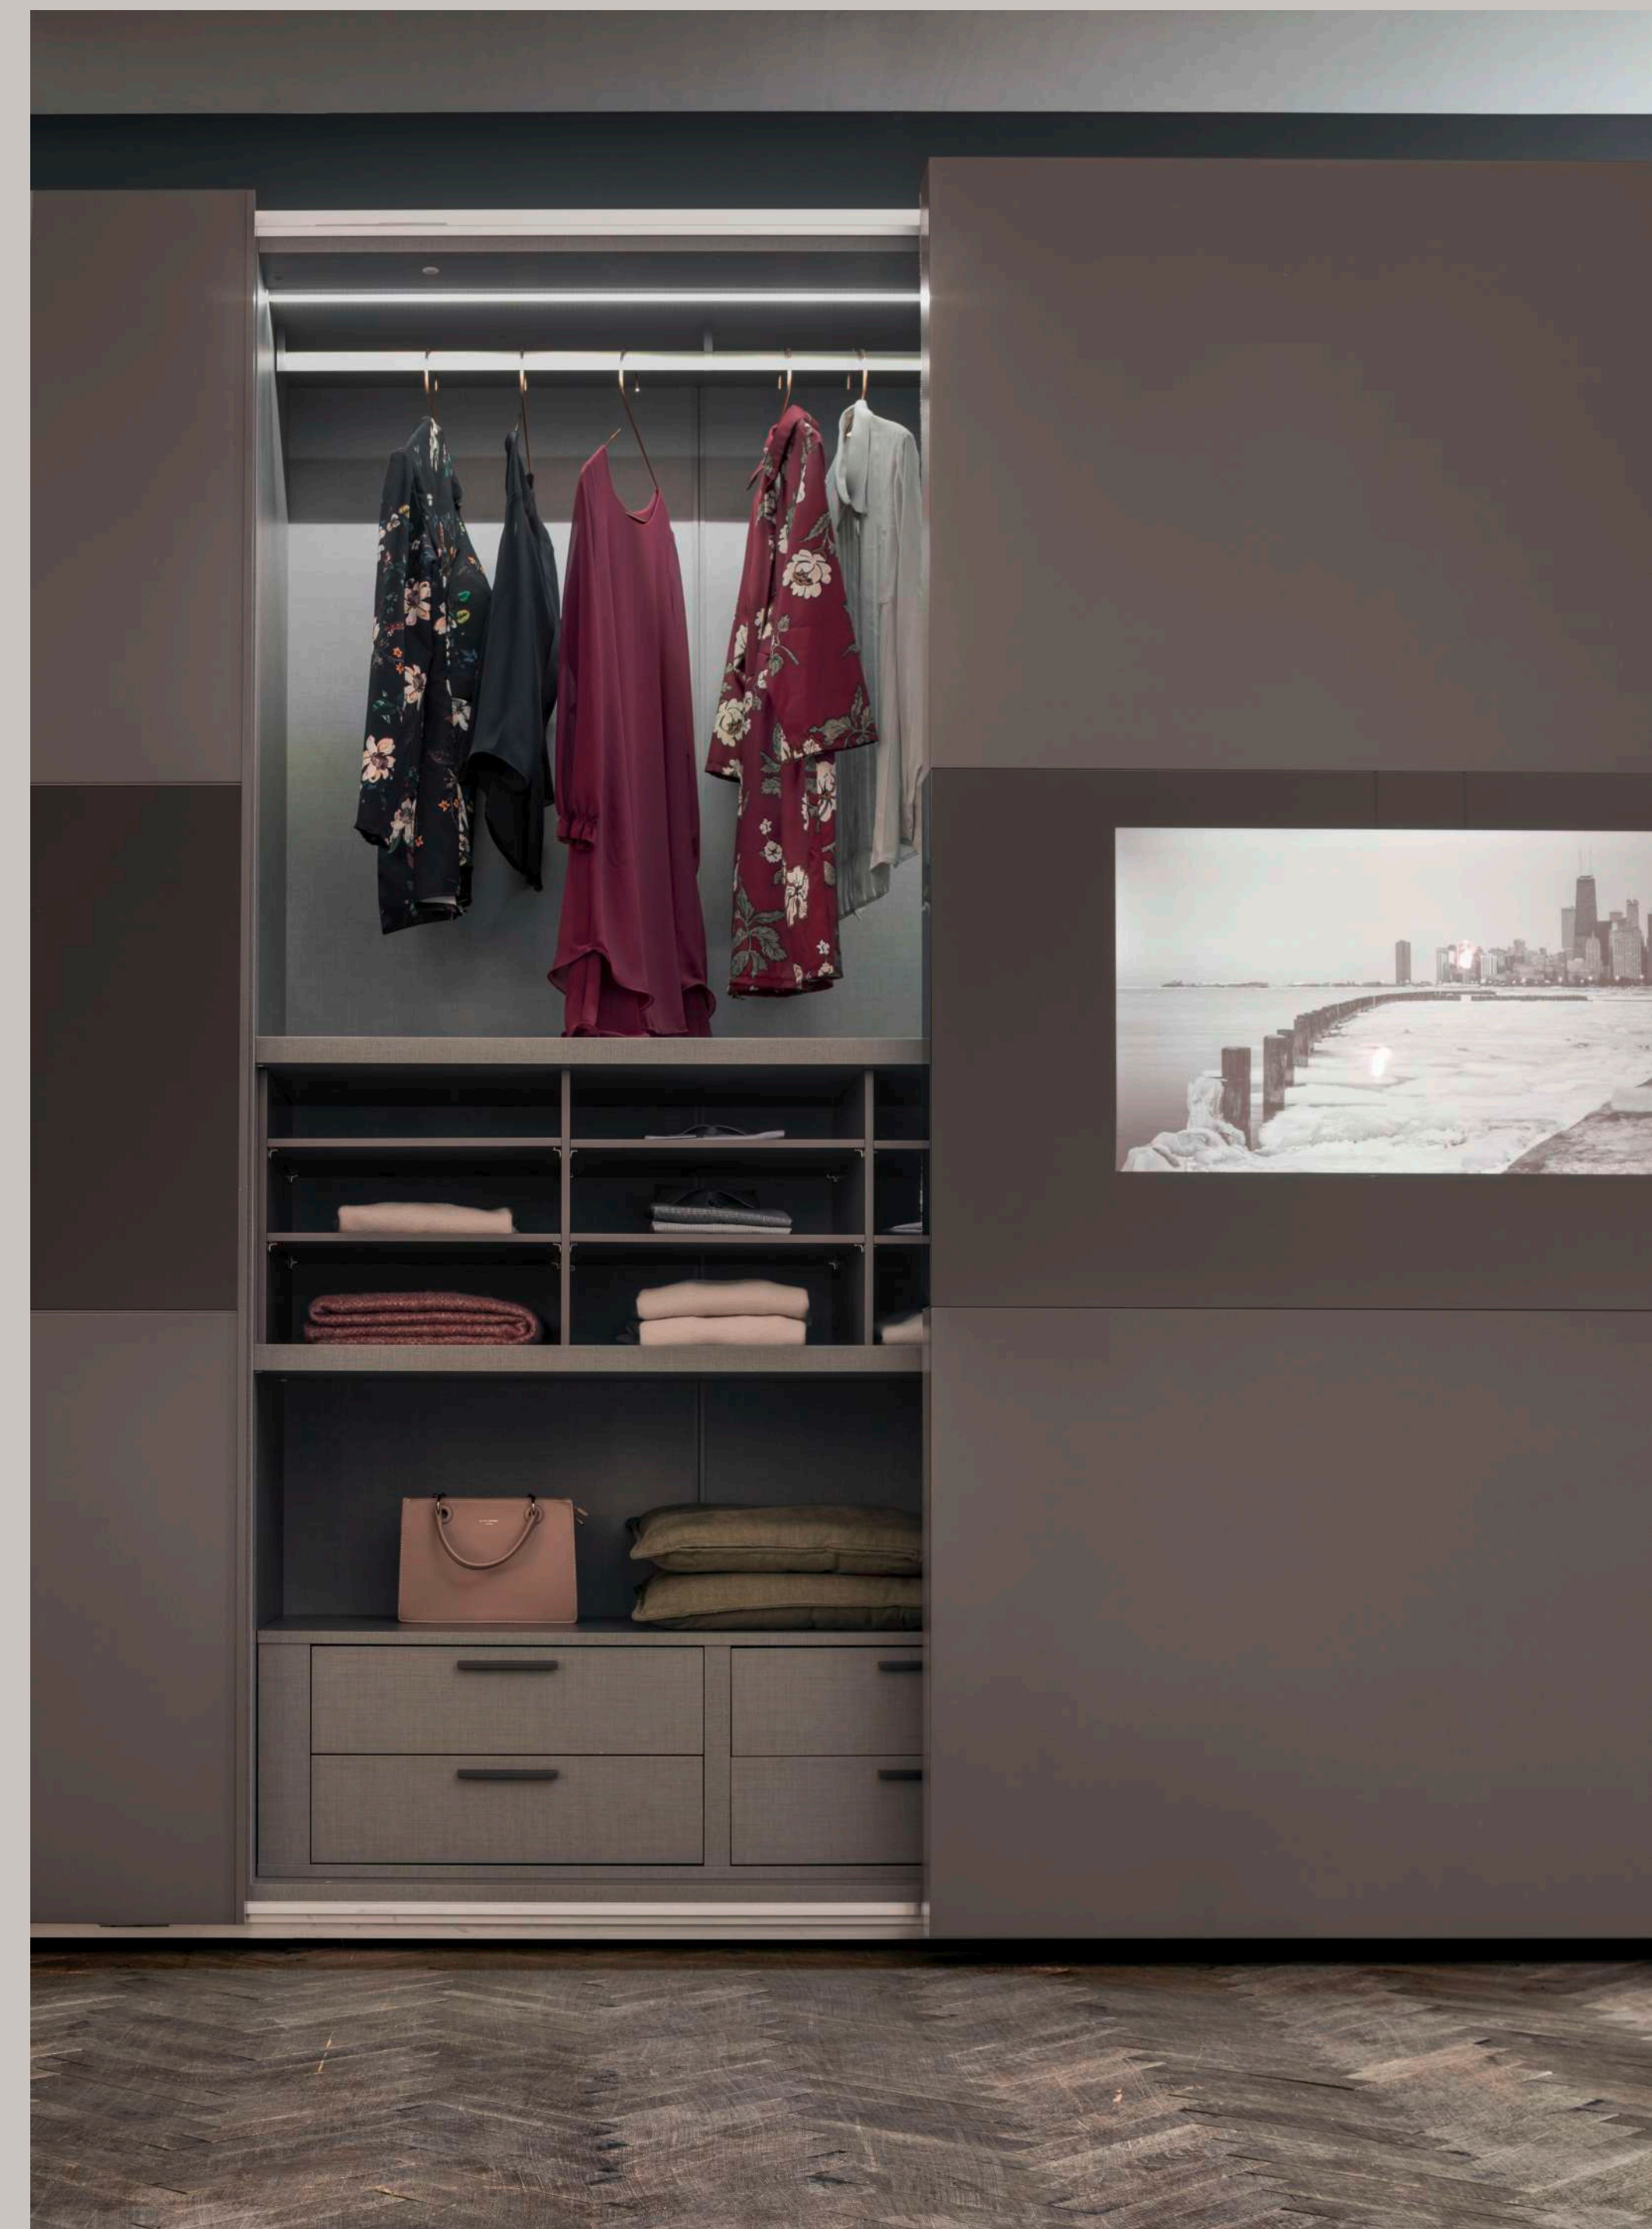

Storage as architecture.

Every centimetre has intention.
Cada centímetro tiene intención.

Integration, done right.

Designed to disappear.

When space matters.

We design spaces with intention.

We curate European craftsmanship.

We build around people, not trends.

Designed for the way you live.

Diseñamos espacios con intención.

Seleccionamos artesanía europea.

Construimos en torno a las personas, no a las tendencias.

Diseñamos para tu forma de vivir.
