Space Essentials

Space Essentials is a furniture collection conceived as a series of pieces designed under a unified aesthetic language and manufactured in Europe.

This proposal presents a curated selection of elements intended to create a coherent whole, tailored to the space and its specific requirements.

The compositions shown have been designed specifically for integration within the architecture of the property.

The collection can be viewed and customised at our studio.

Living Area

Moodboard

Warm woods, soft neutrals and touches of muted colour create a calm, tactile atmosphere with a distinctly contemporary character.

The deep tones of the timber bring richness and depth, while the light upholstery and softly rounded forms keep the composition relaxed and inviting. Golden details catch the light subtly, adding warmth and a quiet sense of sophistication.

LOTU Armchairs · Space Essentials

Two LOTU armchairs frame the TV composition, creating a balanced and inviting arrangement on either side of the media unit.

Inspired by Eastern aesthetics, the design features distinctive armrests with a traditional hand-tied detail using natural fibres.

Lotu means “to tie” in Basque, a name that reflects the essence of the design and its unique character.

The image shown is for reference only. Upholstery and fabrics are selected according to the project.

Living Area | Complementary Pieces

EVEN Coffee Tables · Space Essentials

The EVEN side tables bring a subtle geometric presence to the living area.

Two square tables nest together, combining Cashmere and Sabbia lacquered tops with slender legs in metallic Otone Gold.

Available in an extensive range of colours, EVEN offers a versatile design that can adapt effortlessly to different interiors and compositions.

Dining Area

Moodboard

The dining area is shaped by the rich warmth of American walnut, balanced by the deep mineral character of Laurent porcelain.

Light Baltic upholstery and touches of golden Mystic soften the composition, while anthracite metal introduces a darker, architectural note. Together, these textures create an inviting atmosphere where warmth, contrast and natural elegance come together.

Dining Area

Dining Area

LOUNGE Dining Table · Space Essentials

A palette of warm walnut, soft upholstery and dark mineral tones gives the dining space a sense of depth and intimacy.

The dark stone surface adds a touch of drama against the warmth of the wood, while muted golden and natural tones soften the composition. Every element comes together in a balanced setting designed for long lunches, conversation and gathering.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Dining Area

MAGNETO Dining Chair · Space Essentials

Six MAGNETO chairs surround the LOUNGE table, completing the dining composition with a warm and refined presence.

Their solid ash frames, finished in walnut, bring natural character to the design, while AquaClean upholstery combines comfort with durability and easy maintenance.

A considered balance of natural materials and everyday functionality, designed for effortless living.

Dining Area

Overall view

The double-height volume creates a sense of openness and visual continuity throughout the dining and kitchen area.

The Chantilly wallpaper adds depth and texture, extending beyond the dining space and wrapping around the corner to continue into the Bedroom Hallway.

Dining Area

Sideboard Moodboard

Dark wood, smoked glass and softly contrasting tones create a composition that feels both architectural and intimate.

The transparency of the glass brings lightness to the generous volume, while the warm timber and subtle metallic details add depth and character. Inside, softer tones create a quiet contrast, turning the display into an integral part of the dining atmosphere.

Dining Area

FRAME Wall-mounted Sideboard
Space Essentials

The FRAME wall-mounted sideboard combines warmth, texture and refined detailing.

Olmo Tabaco and Cashmere lacquer create a balanced composition, complemented by Pluvia interiors and a Siena glass display cabinet with manganese aluminium framing.

Integrated lighting softly illuminates the shelving and lower unit, adding depth and warmth to the composition.

The image shown is for reference only.
Finishes and materials are customised according to the project.

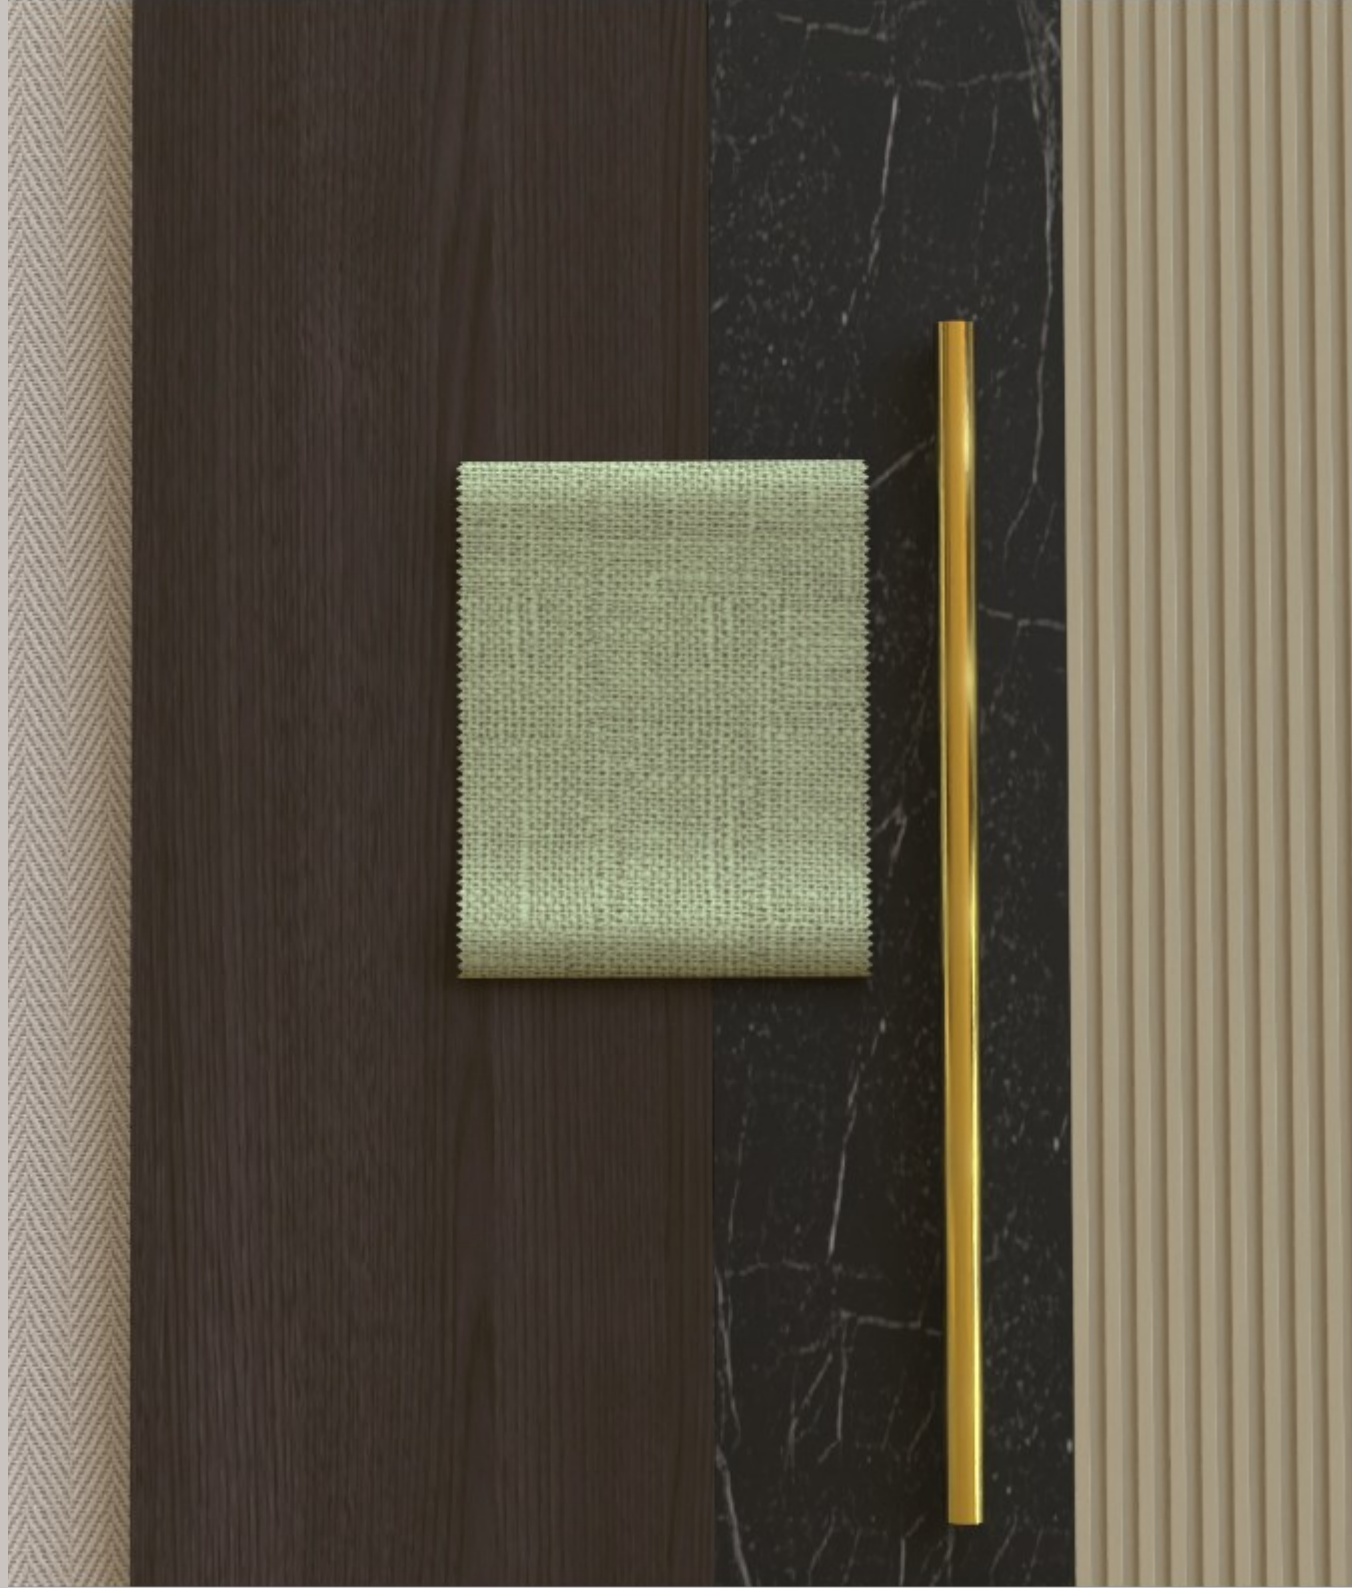
Master Bedroom

Moodboard

Deep woods, dark stone and muted natural tones create a serene, enveloping atmosphere in the master bedroom.

The layered textures bring depth without heaviness, while soft green upholstery introduces a subtle connection with nature. Warm metallic accents and carefully controlled lighting add a gentle glow, balancing the darker palette with a feeling of calm and understated elegance.



Master Bedroom

Master Bedroom

SETA Collection · Space Essentials

The master bedroom combines warm textures, deep tones and a refined sense of lightness.

The SETA wall composition pairs Centorighe Sabbia with Rovere Thea melamine, accented by Nero Marquina around the bedside units. Full backlighting softly outlines the headboard wall, creating depth and a warm, atmospheric effect.

The natural linen headboard in green complements the CLOUD bed, supported by a single glass leg that gives the structure an almost floating appearance. Integrated lighting beneath the bed enhances this sense of lightness.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Master Bedroom

Vanity Moodboard

A quiet composition of deep woods, dark stone and soft, muted tones, carrying the material language of the master bedroom into a more intimate setting.

The Oasis velvet in green introduces a rich tactile note, echoed by the botanical print that brings a fresh, organic accent to the palette. Warm metallic details and subtle contrasts complete a space that feels refined, personal and quietly expressive.

Master Bedroom Vanity

Index

Master Bedroom

SETA Collection · Space Essentials

Facing the bed, the composition brings together a refined vanity and a generous TV area within the same architectural language.

A suspended two-drawer console and wide mirror create a light and elegant vanity, while the Nero Marquina TV panel frames a 65-inch screen for an immersive cinema experience from the bed.

Matching the tones and textures of the headboard wall, the composition creates a seamless visual connection across the bedroom.

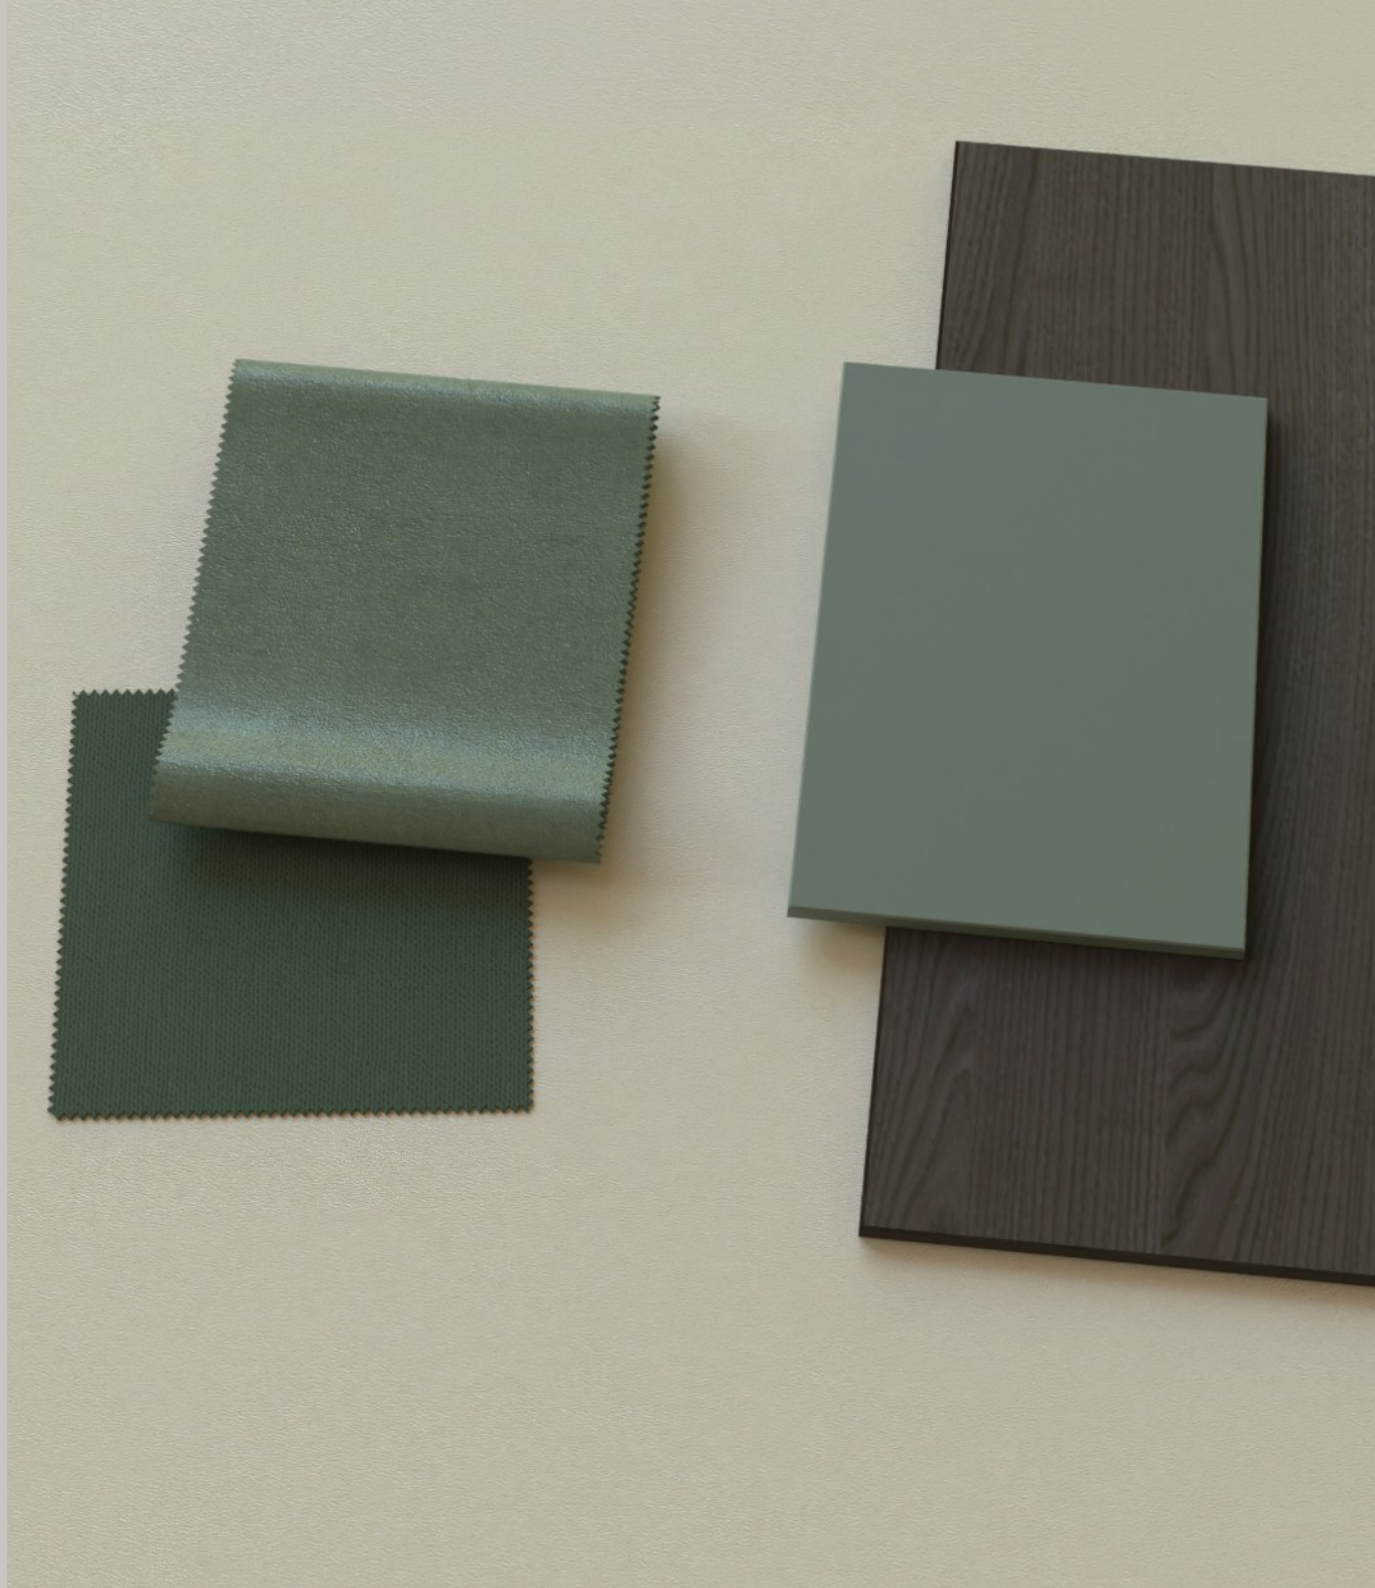
The image shown is for reference only.
Finishes and materials are customised according to the project.

Master Bedroom

Walk-in Wardrobe Moodboard

An elegant and highly functional space, designed to keep every element organised while maintaining a calm, uncluttered atmosphere.

The carefully integrated lighting follows the different storage areas, illuminating garments and shelves with precision and adding depth to the composition. A restrained palette of soft neutrals, greens and darker accents gives the dressing room a refined, quietly contemporary character.



Master Bedroom

LUNA Walk-in Wardrobe · Space Essentials

The LUNA walk-in wardrobe is designed to make the most of every space without compromising on design.

Cashmere melamine creates a bright and warm backdrop, complemented by Rovere Thea cabinetry and subtle Pluvia lacquered details across the shelving and mirror.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Master Bedroom

LUNA Walk-in Wardrobe · Space Essentials

Integrated lighting enhances the composition, while the carefully planned layout accommodates a central upholstered ottoman, adding comfort and character to the dressing space.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Number Two

Moodboard

An elegant and highly functional space, designed to keep every element organised while maintaining a calm, uncluttered atmosphere.

The carefully integrated lighting follows the different storage areas, illuminating garments and shelves with precision and adding depth to the composition. A restrained palette of soft neutrals and darker accents gives the dressing room a refined, quietly contemporary character.

Bedroom Number Two

Bedroom Number Two

SETA Collection · Space Essentials

The second bedroom follows the refined language of the SETA collection, expressed through a lighter and softer palette.

Cashmere panels and Centorighe textures create a calm architectural backdrop, accented by Ash Stone details and a Porpora linen upholstered headboard.

The upper composition aligns seamlessly with the built-in wardrobe, whose smooth Cashmere doors blend into the architecture for a clean, continuous wall.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Number Two

Bedroom Number Two

Vanity Moodboard

A softer expression of the bedroom’s palette, where the delicate floral upholstery meets the subtle texture of the wallpaper.

Light botanical tones bring freshness and warmth to the composition, creating an intimate corner with a quiet, timeless character.

Bedroom Number Two

SETA Collection · Space Essentials

The vanity continues the refined language of the SETA collection, bringing together simplicity and visual lightness.

A suspended two-drawer console and generous mirror are set against a softly textured wallpaper, creating a warm and elegant backdrop.

The combination of furniture, texture and light creates a calm composition that feels naturally integrated with the bedroom.

The image shown is for reference only. Finishes and materials are customised according to the project.

Bedroom Number Three

Moodboard

A serene composition where soft aqua green introduces a fresh, enveloping note against a palette of warm stone tones and natural wood.

Lacquered surfaces, Nordic oak and carefully layered lighting create a clean, luminous atmosphere, while the upholstery brings softness and depth. A calm, understated interior shaped around natural textures and quiet elegance.

Bedroom Number Three

Bedroom Number Three

MONO Collection

Space Essentials

The MONO collection creates a calm and contemporary bedroom through texture, colour and clean lines.

A full-width Centorighe headboard in Grigio Pietra frames the bed, upholstered in Oasis AquaClean in Water green. Its double-base configuration also allows the bed to be easily transformed into two individual beds, adding versatility to the design.

A composition conceived to combine comfort, simplicity and flexibility.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Number Three

MONO Collection · Space Essentials

The UNIX dresser composition combines generous storage with a clean architectural presence.

Four spacious drawers in Rovere Nordico melamine are set on a continuous plinth, extending into an integrated valet stand. Above, a Grigio Pietra and Centorighe panel incorporates the 55-inch TV and subtle perimeter lighting.

A balanced composition where storage, technology and light become part of the architecture.

The image shown is for reference only. Finishes and materials are customised according to the project.

Bedroom Number Three

FACILE Wardrobes · Space Essentials

An additional storage solution complements the main bedroom wardrobe, with its sliding doors and matching finish.

Located at the end of the bedroom corridor, the floor-to-ceiling unit makes use of every available space, providing discreet storage for seasonal clothing, bed linen and towels.

Finished in White Cement melamine and without visible handles, it blends seamlessly into the architecture, disappearing completely when closed.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Number Three

Investment Summary

Bedroom Number Four

Moodboard

The most expressive bedroom in the collection, where a warm terra backdrop meets the texture of rovere nordico melamine.

Petrol blue, golden yellow and Porpora fabrics bring a vibrant, youthful energy to the palette, creating a space that feels fresh, confident and full of personality. The balance of warm neutrals and saturated colour keeps the composition lively without losing its sense of harmony.

Bedroom Number Four

Bedroom Number Four

MONO Collection · Space Essentials

The fourth bedroom continues the contemporary language of the MONO collection, with a warmer and more expressive palette.

The full-width headboard in Terra Centorighe is paired with two upholstered beds in Mystic AquaClean Petrol, creating a balanced composition with a subtle contrast of colour and texture.

The flexible configuration allows the two beds to be joined and transformed into a single bed with one 160 cm mattress when required.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Entry Hall

Moodboard

A quiet composition built around contrast, where the depth of Nero Marquina meets the warmth of Savana oak, American walnut and the earthy character of terra.

Entry Hall

PATO Collection · Space Essentials

The main entrance makes use of the limited space behind the door with a large PATO mirror in Terra lacquer, enhanced by integrated LED backlighting.

Partially set against a Nero Marquina melamine wall panel, the composition is completed with a Savana oak veneer shelf, illuminated from above and below, and two solid ash hooks.

A compact solution combining functionality, texture and light.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Hallway

Bedroom Hallway

Moodboard

A bolder composition where deep Nero Marquina meets the rich depth of glossy Porpora lacquer.

The delicate botanical wallpaper introduces a softer, more organic layer, while gilded details catch the light against the darker surfaces. The natural ash of the Aro armchairs and their light Baltic upholstery bring warmth and balance.

An expressive entrance, where colour, texture and subtle contrasts create a refined contemporary atmosphere.

Entry Hall

COVER Sideboard · Space Essentials

The COVER sideboard becomes the focal point of the entrance, combining soft, rounded forms with a high-gloss Porpora lacquer finish and a Nero Marquina top.

Set against Chantilly wallpaper in warm cream and grey tones, the composition extends naturally around the double-height corner, creating continuity between the entrance and living area.

A GLOBO mirror, finished in hand-applied embossed Nichel lacquer, completes the composition with a distinctive artisanal touch.

The image shown is for reference only.
Finishes and materials are customised according to the project.

Bedroom Hallway

Entry Hall

ARO Armchairs & LUXU Coffee Tables

Space Essentials

The ARO armchairs create a quiet seating area in front of the sideboard, positioned beside the three windows to make the most of the natural light.

Paired with two LUXU side tables in solid ash, the composition offers an inviting spot to enjoy a coffee, read or simply pause.
